# Key Aspects of CHCs

CHCs provide:

- Universal Access to Care
- Cost Effectiveness
- Community Governance

# Clinical Quality

- CHCs ensure and measure clinical quality
- JCAHO
- Health Disparities Collaboratives
  - Diabetes
  - Cardiovascular
  - Asthma
  - Cancer
  - Prevention

Clinically oriented R&R activities included Provider Rewards Mini-Grant Program for continuing education or equipment.

# Economic Development

- CHCs provide strong positive economic impact
- Provide local jobs (CY '04 over 1,900 full- and part- time employees in VA)
- Brought in almost \$25 million (CY '03) in outside grants and non-patient revenues to areas adding to the economic base and development of the regions.
- \$74.5 million in operating expenses (resulting in \$126.6 m total economic output for FY '04).

# Education & Training

- Annual conference workshops
- Board training
- Mentoring programs
- Medical professional training (CME, CEU)
